SHERIDAN, WYOMING

Howdy %%FIRST:Partner%%

Each year Don King Days is considered by over a thousand spectators to be the grand finale of summer fun! This year marks the 19th annual Don King Days at the Big Horn Events Center, Sunday and Monday of Labor Day Weekend, September 2-3, 2007.

Events feature classic equine events like polo, steer roping, bronc riding and wild cow milking, beginning both days at 11 a.m. The Big Horn Events Center's few fences and big fields put the crowd right in the middle of all the action. Sunday features polo, the first rounds of the Wyoming Steer Roping Finals and wild cow milking. Taking place on Monday are polo, steer roping and the matched bronc riding.

Each day, following the events "on the grass", one of the country's premier acoustic guitarists, Janan Crossland, will perform live. Janan's extraordinary guitar work has earned National Fingerstyle Championship honors in 1997 and the Wyoming State Championship Flatpick Title in 1999.

The Don King Days events began when local ranchers came up with this unique combination of equestrian events to be held in honor of King, owner of King's Saddlery and renowned saddle maker world-wide.

Admission is \$8.00 for adults and children under 12 are free. For more information, contact Micah Olsen at molsen@sheridan.edu or 307-684-8776.

THE WORLD'S LOSS

Don King (1923-2007) was honored at special services this past week, at the very place where this event that honors him takes place each year. He will be missed by all who knew him as a friend and mentor! Don will always be known as the world-famous saddle maker, and creator of the 'Sheridan style' leather tooling.
