

SHERIDAN, WYOMING

Howdy %%FIRST:Partner%%

The Downtown Sheridan District was recently selected into the 'Great Places in America: Great Neighborhoods'! And on November 3 in a room overflowing with community leaders, Governor Freudenthal and Mayor Kinskey accepted with gusto this outstanding award in recognition of our 'vibrant and attractive' downtown, as presented by the American Planning Association.

Sheridan, with over 30 buildings in the National Historic District, was chosen into their *Top 10* because of its historic downtown and immediately surrounding residential area, which reflect a mixture of influences, trends and developments – from Sheridan's frontier period to Main Street buildings constructed in the 1980's.

During the ceremony, the Governor praised the community for their efforts in building an attractive town that he is proud of and continues to support in its revitalization and reconstruction efforts.
