

SHERIDAN, WYOMING

Howdy %%FIRST:Partner%%

Congratulations go to our *very first* quarterly photo contest winner! While here from Argentina, Matias Torres and friends were embracing Sheridan's 'winter wonderland' at the NHL regulation Whitney Community Ice Skating Rink. "We had the experience of our LIVES!!! Miss you so much and hope I can go back some day!" says Matias.

As our first winner, this is Matias' fun photo feature being sent to 45,000 individuals interested in Sheridan! Each winner also receives our 'West at its Best' canvas bag and logo pin, a #1

Western Town in America badge, and picturesque Embrace the West postcard!

Sheridan and its Big Horn Mountain's 'winter wonderland' offers an abundance of additional invigorating outdoor recreation including snowmobiling, alpine and cross-country skiing and snowboarding in a pristine mountain setting. It is a majestic place for winter enthusiasts of all ages and interests to enjoy snow sports and activities and to revel in the magnificent scenery, as well as the wildlife that is as abundant as the snow!

Looking back to enjoy your authentic western memories that were made while visiting Sheridan, only enhances one's experience. We look forward to assisting you to again enjoy your experience first hand through your very own photo feature, and thus enabling you to share your experience with family and friends in yet another fashion!

Whether it was from your first or a return trip to the #3 *Town for Outdoorsmen in America*, enjoy seeing your and other photo submissions at the Sheridan Travel and Tourism's [Photo Gallery](#)! Available to visitors and locals alike, submit your favorite photos with your contact information on the Photo Gallery form, AND compete for the winner's prizes associated with our quarterly contest for the *West at its Best!*
