

SHERIDAN, WYOMING

Howdy %%FIRST:Partner%%

Rosemary and Wes Kehl embarked July 28th from their hometown of Indianapolis for Sheridan and left August 5th after enjoying their complimentary whirlwind vacation!

Partnering with several area businesses to create the ideal summer sweepstakes vacation package, Sheridan Travel and Tourism randomly selected the retired couple from thousands of hopefuls . . . "We are very, very lucky!" Mrs. Kehl said. "I couldn't believe we'd won when I found out."

The Kehls spent the first three nights in historic downtown Sheridan and the final three nights in the Big Horn Mountains. The sweepstakes included two round-trip Great Lakes Airline tickets, three nights at the Best Western Sheridan Center and dinner at its Blackstone Grill, three nights at Bear Lodge Resort with dinner and breakfast at its restaurant, and a dinner at Arrowhead Lodge.

Encompassing several activities that embrace Wyoming's Western history, the couple enjoyed a tour into the Big Horn Mountains and saw the Medicine Wheel, had a view of the turbulent western history through Fort Phil Kearny, experienced a working ranch and famous western art at the Bradford Brinton Memorial and Museum, our colorful culture at the Sheridan County Museum, and Trail End State Historic Site, as well as exploring Sheridan on the Trolley.

They found the Wild West to be very different from their native Indiana, with this beautiful mountain scenery and the sky completely enticing. "This has just been a wonderful experience for us! People were so friendly and helpful."

By now the Kehls are well rested following their authentic Western Trip, as Sheridan Travel and Tourism gains momentum for our new winter sweepstakes package, and its fun, new winners! Check back by November 1st to sign up for the new winter package offerings . . .
