

SHERIDAN, WYOMING

Howdy %FIRST:Partner%

Visitors to Sheridan, Wyoming this holiday season will find plenty of reasons for Christmas cheer. The 14th Annual Christmas Stroll, the beginning of a month-long celebration and one of northern Wyoming's largest retail promotions of the year, kicks off in Sheridan the day after

Thanksgiving, November 27th. The 2009 theme is Jingle Bell Rock, and shoppers "stroll" the streets, visiting over 80 participating businesses while enjoying a variety of festivities.

"Historic downtown Sheridan is transformed into a winter wonderland, where visitors and local families come out together to celebrate and shop, and you can't help but get caught up in the Christmas spirit!" said Janelle Martinsen, Executive Director of the Sheridan County Chamber of Commerce. "The Stroll is a Sheridan tradition."

Sheridan's Main Street is closed to vehicle traffic, entertainment is scheduled in businesses, and vendors hawk their wares on the street. Santa and Mrs. Claus hear the Christmas wishes of hundreds of children and parents can get a free photo of their child with Santa courtesy of the Sheridan County Chamber of Commerce Ambassadors. Strollers enjoy hay-wagon, trolley, and fire-truck rides. A huge fireworks display serves as the grand finale for a memorable evening.

Find the perfect gift and turn this year's Christmas shopping into a special family outing in Sheridan. This exceptional community event invites you to shop while you enjoy beautiful Christmas decorations, holiday treats, and entertainment
