

# SHERIDAN, WYOMING

Howdy %%FIRST:Partner%%

Kick off your holiday season right this year and make plans to attend the Trail End Holiday Open House in Sheridan, Wyoming. This three-day event celebrates the season with live music and tasty treats served up in a historically elegant atmosphere complete with all the traditional trappings of the holidays.

An annual tradition for over twenty-five years, the Open House is scheduled for December 4, 5 & 6, at the Trail End State Historic Site, a 14,000 square foot brick mansion overlooking Sheridan's Kendrick Park – with holiday decorations throughout the spectacular 1913 mansion from Thanksgiving through mid-December.

One major attraction of the Open House is the live music, with a different act featured each hour. Guided tours of the mansion, home of former Wyoming Governor and United States Senator John B. Kendrick, are also offered during the Open House. Conducted by Trail End staff and volunteers, the tours feature the history of the house and grounds, plus a look at what the holidays were like earlier in the Twentieth Century.
