

SHERIDAN, WYOMING

Howdy %%FIRST:Partner%%

Visit the *Bradford Brinton Memorial & Museum* and take a trip back in time to enjoy *Original Art in An Ideal Setting* . . .

What was it like to live on a 1920s gentleman's working ranch surrounded by art produced by many of the finest Western artists including Charlie Russell, Frederic Remington and Edward Borein?

Join us for a guided tour of the *Quarter Circle A Ranch House* and enjoy the genteel surroundings complete with meticulously tended grounds and flower gardens featuring heirloom plants and massive old cottonwoods. Take time for a walk around the outbuildings (Milk House, Carriage Barn, Saddle Barn, etc.) and Little Goose Creek Lodge.
