since 1882, with interesting artifacts, photos, and dioramas.

Visitors can see unique items related to Sheridan's historic and unusual commerce and contribute to the exhibit by adding their own memories of favorite businesses through the years. Two dioramas help illustrate the very early commerce that flourished about the time Sheridan became a county in 1888.

Some of the most dramatic events in western history happened in and around Sheridan County, located on the emigrant route of the old Bozeman Trail.

Other exhibits include Crazy Horse, Crook, and the Battle on Rosebud Creek and Brewing up History: The Story of the Sheridan Brewing Company. Also returning this season are Black Diamonds and Monarch the King of Mines in Sheridan County, The Tongue River Tie Flume: The Original Log Ride, The Railroad: Sheridan's Ticket to Prosperity, and Elsa, Her Life, Family, & Fotokraft.
