Sheridan Schedules WYO Rodeo, its Most Popular Annual Event

SHERIDAN, Wyo.— Sheridan, Wyo., is the home to the WYO Rodeo, held next year July 15-17, although there are activities that whole week. The rodeo is one of the top professional rodeos in North America with three PRCA performances. The week also includes World Champion Indian Relay Races, concerts, parade, street dances, boot kick-off contest, Beds Along the Big Horns Bed Race and more. There is Pari-Mutuel betting on the timed-event slack performances.

While Sheridan is basically a quiet cowboy town, during this week in July it turns into party central, with the restaurants and bars jammed each evening after the rodeo is over to celebrate the area's biggest attraction of the year. Sheridan hosts smaller rodeos weekly throughout the summer, as well as rodeos for Don King Days, Sheridan County Rodeo and the Youth Rodeo.
