Yet another status reached, that Sheridan can be proud of . . . Outdoor Life magazine ranked Sheridan as #3 in the nation for their Top 200 Towns for Outdoorsmen!

Interesting that Outdoor Life's selection process began with quality of life, including growth rate of local economy, unemployment rate, taxation, commute time to work, crime rate, income, AND variety of cultural opportunities! Yes indeed, Sheridan also ranks well in their sporting perspectives from year-round fishing and hunting opportunities, to quality trophy, proximity to public land, etc.

We are proud of the many opportunities the Sheridan area and our majestic Big Horn Mountains provide outdoorsmen and women . . . There are exciting outdoor opportunities for all four seasons - from hiking & biking, to hang gliding & rock climbing, hunting & fishing, to wildlife photography, polo, golf in Wyoming's Golf Capital, and much more . . . We really do have it all! And that explains just why we in Sheridan Travel and Tourism are challenged to vary our promotional features often in order to cover it all.

Now transition into our current season's outdoor activities, From Old West to Snow West, with our varied winter sports and Top 15 ranking for snowmobile trails explored by visitors and locals alike . . . With March and April our high-tourism winter season and yet another foot of new powder last weekend, thousands are enticed to discover or re-discover this boondocker heaven!

Sledheads from across the region continue to flock to our Big Horns with their vast open meadows and 300 miles of groomed and 50 miles of ungroomed trails. The snow base is now 44" - 59" with 50 - 80% chance of new snow every day throughout the coming weekend. A day, a week or a lifetime to stay and play in the Big Horns!

SnoWest Magazine praises the Big Horns as "one of the West's best-kept secrets - offering solitude, scenery and GREAT SNOW!" The Big Horn Trail System is perpetually rated in the Top 15, with the nearest trailhead just 15 miles southwest of Sheridan at Red Grade Road. With 100% 'real', dry powder, challenges and excitement continue through April!

In addition, during this season, the mountain in our backyard offers enthusiasts a variety of outdoor adventures, including snow shoeing and snow boarding, alpine and cross-country skiing, as well as wildlife viewing.
